

TESTING LORENTZ INVARIANCE VIOLATION WITH HIGH ENERGY ASTROPHYSICAL SOURCES, OR...

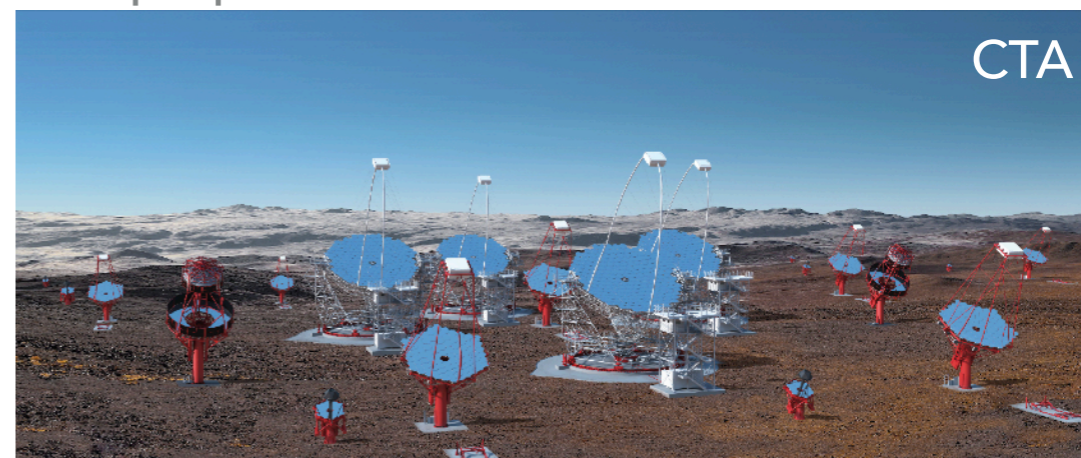

Using powerful astrophysical sources...

...to probe quantum nature of spacetime...

...with highly performant present experiments... and prepare future ones!

PhD project funded by CNRS

Supervisors: J. Bolmont (LPNHE, bolmont@in2p3.fr) & H. Sol (LUTH, helene.sol@obspm.fr)

Applications on CNRS Job portal (emploi.cnrs.fr) from 24/01 to 13/02

(dates may change a bit)
